

GAPIT

PLINK

TASSEL

snp231

A Venn diagram illustrating the overlap of SNP sets identified by three software packages: GAPIT, PLINK, and TASSEL. The diagram consists of three overlapping circles. The left circle is red and labeled 'GAPIT'. The right circle is blue and labeled 'PLINK'. The bottom circle is yellow and labeled 'TASSEL'. The intersection of all three circles is shaded brown and labeled 'snp231'. The intersection of GAPIT and PLINK is shaded purple. The intersection of GAPIT and TASSEL is shaded orange. The intersection of PLINK and TASSEL is shaded olive green.

Region	Color	Label
GAPIT only	Red	
PLINK only	Blue	
TASSEL only	Yellow	
GAPIT & PLINK	Purple	
GAPIT & TASSEL	Orange	
PLINK & TASSEL	Olive Green	
GAPIT & PLINK & TASSEL	Brown	snp231
